I hold your hand to say
goodbye.

I hug you to say goodbye.

I wish you well to say
goodbye.

I bring a gift to say
goodbye.

Goodbye, my friend.

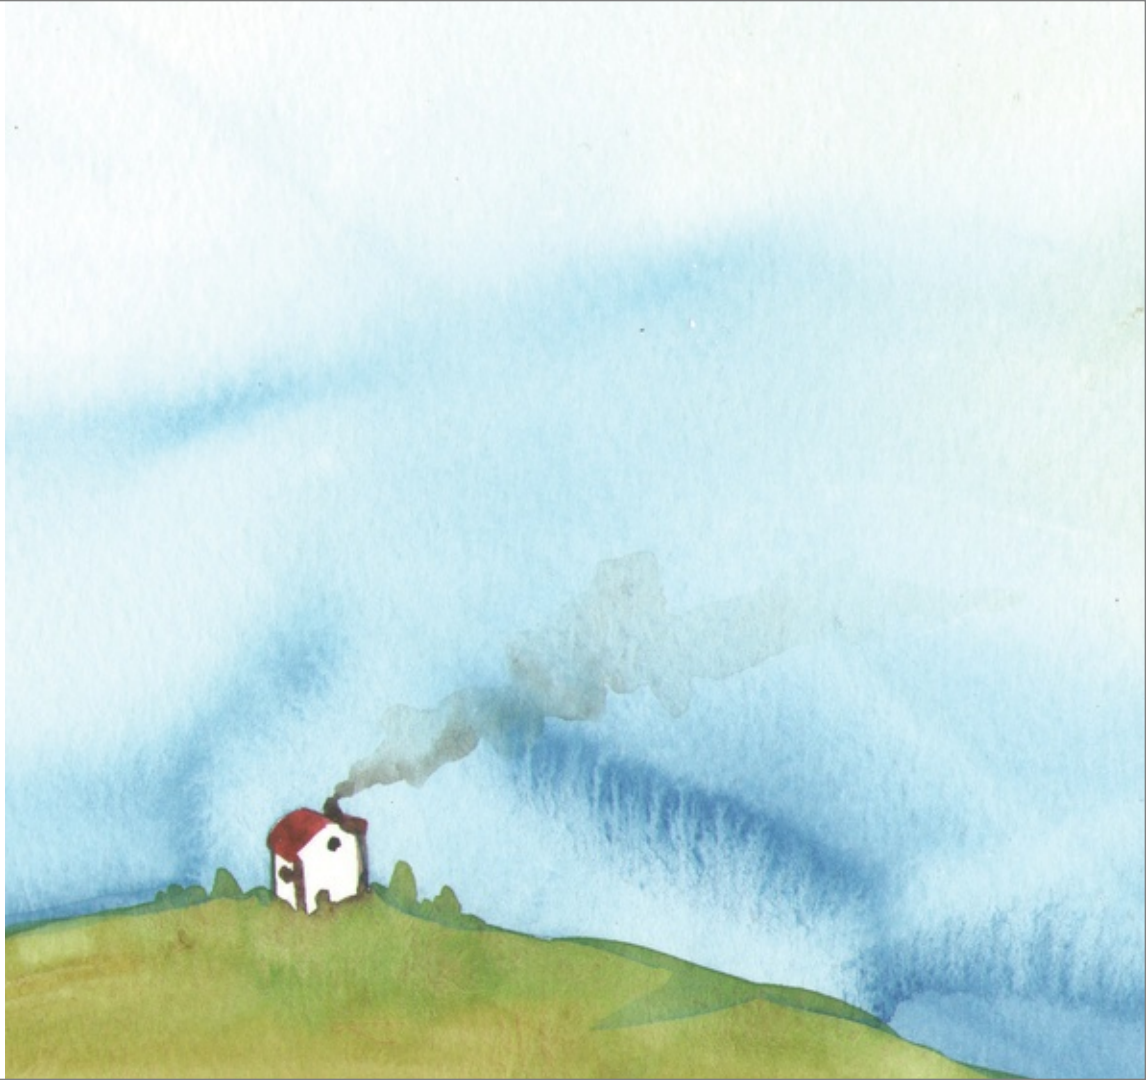

Goodbye.

I will remember you on a
clear day.

Goodbye, my friend.

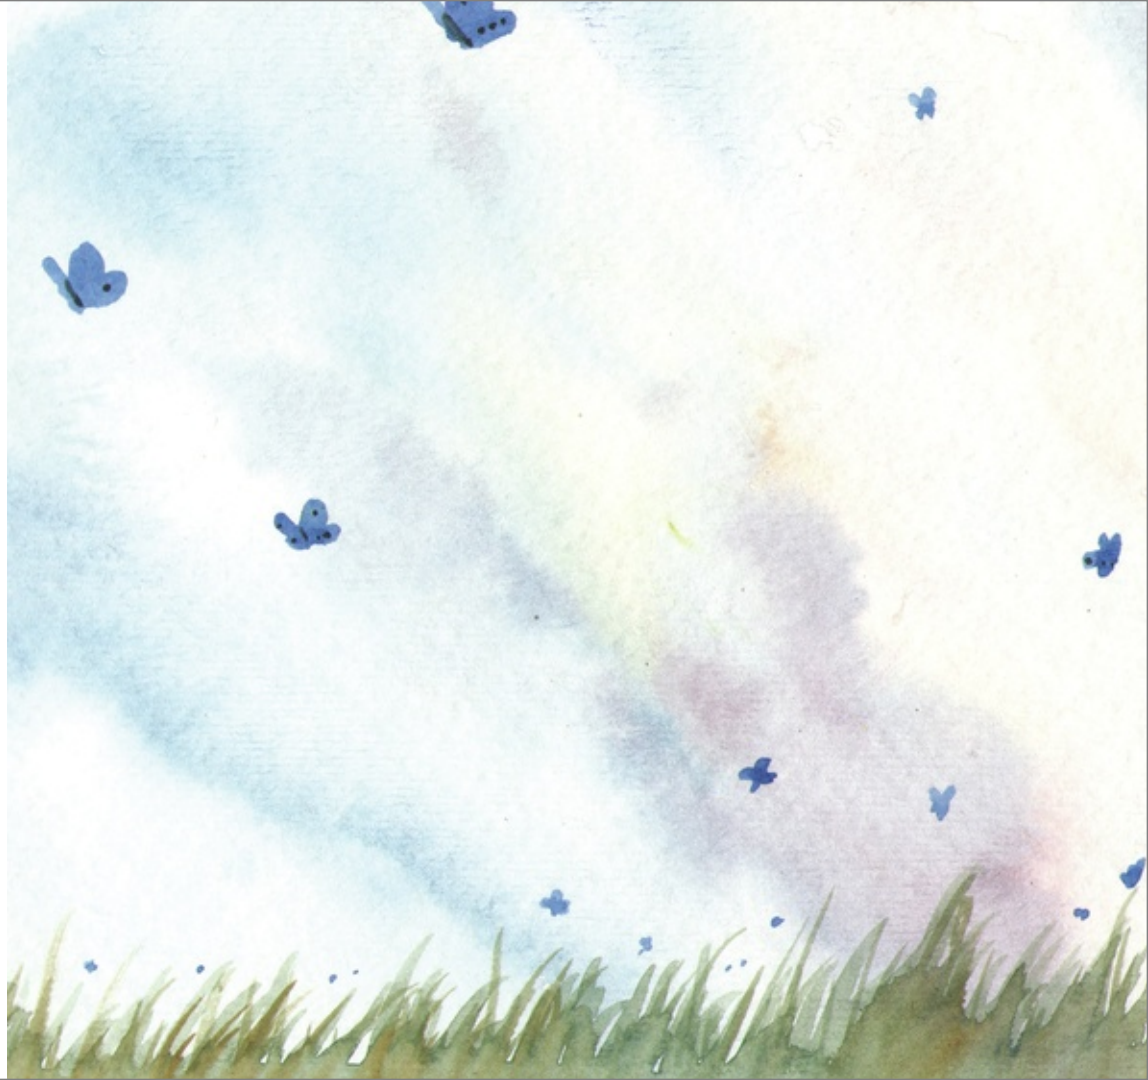

Goodbye.

I will remember you
when the butterflies fly.

Goodbye, my friend.

Goodbye.

I will remember you
when I see the moon.

Goodbye, my friend.

Goodbye.

I will remember you.

Goodbye, my friend.

Goodbye.

The world needs your stories
